1. The Tele-Law Scheme

Tele-Law scheme is an effort to make legal aid accessible to marginalized communities and citizens residing in rural and urban areas. The scheme envisages the use of communications and information technology for the delivery of legal information and advice. This is a medium of e-interaction between lawyers and citizens through videoconferencing or telephone/phone mode. The service seeks to provide legal assistance to citizens at their doorsteps through the infrastructure of Common Services Centres (CSC) present at rural locations and the use of a citizen mobile app where common citizens can register their case and seek advice from Panel Lawyers through citizen mobile app (Tele-Law Mobile app) available at google play store and apple app store.

Some of the key features of the programme are:

- 1.1. The service is provided free of cost to all citizens of India.
- 1.2. To ensure its seamless penetration in far-flung and remote areas, a Tele-Law mobile application has been developed to enable pre-registration of cases.
- 1.3. Tele-Law web portal (<http://www.tele-law.in/>) provides key information about the programme in 22 official languages. Tele-Law Dashboard has been developed to capture real-time data on cases registered and advice enabled.
- 1.4. Information education communication (IEC) materials such as E-Tutorial on Tele-Law mobile application, pamphlets, Radio jingles etc are made available in the Tele-Law portal.

The concept of Tele-Law is to facilitate the delivery of legal advice through a panel of lawyers stationed across India at the CSC SPV office and at State Legal Services Authorities (SLSA). To fulfil this CSC SPV collaborated with the Department of Justice (DoJ) to implement Tele-Law service through CSCs across India.

For North-Eastern states, Union Territory of Jammu & Kashmir, and Ladakh under Access to Justice (NEJK project).

For the states of Northeast (NE) and Union Territory (UT) of Jammu & Kashmir and Ladakh, the project started as a pilot on 31st December 2017 with further extension. Under this project, a total of 800 CSCs were covered. The PLVs and the Panel Lawyers were appointed by CSC SPV in collaboration with DoJ.

Expansion of Tele-Law in Uttar Pradesh and Bihar

After the successful implementation of Tele-Law service in North-East states and Jammu & Kashmir, the project was launched in Lucknow, Uttar Pradesh on 10th December 2019. The project covered a total of 1000 CSCs from Bihar (i.e., 500) and Uttar Pradesh (i.e., 500). Under the project, the panel lawyers and PLVs for UP and Bihar were made available via NALSA.

Aspirational district project

The Aspirational Districts Programme is a product of collective effort in which States are the main drivers. At the Government of India level, the programme is anchored by NITI Aayog.

Based on the wide response garnered in the pilot states and the urgency for the common man to receive legal advice as the first step towards access to justice, Tele-Law is one of the key programmes of the Department of Justice that has also been flagged as a part of 100 days programme of the newly constituted Government of India. In continuation, it is now aimed to expand the Tele-Law program to the 115 Aspirational Districts across 28 states that are earmarked as pockets of under-development. These 115 Districts have been described as Aspirational rather than backward so that they are viewed as islands of hope and opportunity rather than areas of distress and hopelessness.

The Aspirational Districts programmes are being measured on the indices of education, health, and nutrition, agriculture and water resources, financial inclusion, basic infrastructure, and skills. To fulfil the Government commitment of SabkaSaath, Sabka Vikash, Sabka Vishwas there is a need to amalgamate “*Sabko Nyaya*” as the fourth pillar to empowerment and development in the country. In this regard, the Department of Justice could act as a force multiplier on the desired outcomes in these Aspirational districts. Working towards strengthening free legal aid in India, the Tele-Law programme would cover 28,060 CSCs in 115 Aspirational Districts across 28 States in cooperation with National Legal Service Authority (NALSA), State / District Legal Service Authority, and CSC e-Governance Service Limited. To ensure that this service is effectively used 28,060 Tele-Law Para legal volunteers from within the communities would be engaged to act as a bridge to connect the beneficiary with the Panel Lawyer.

Keeping in view and the learning from the pilot, the project was extended to cover all the 115 Aspirational districts from 27 states and 8 UT through 28,060 CSCs. Under the project, PLVs and the Panel Lawyers were appointed by CSC SPV in collaboration with DoJ. The Aspirational districts scheme was approved on 1st September 2019. In the year 2020-21 as per the decision of DoJ, GoI all three projects were merged.

In the year 2021-22, DoJ and GoI proposed to expand the Tele-Law service at Pan India level in collaboration with CSC SPV which includes 28 states and 6 UTs. The Tele-Law service has been started in 50,000 Gram Panchayats (GPs) covered.

- In June 2021 Tele-Law expanded in 633 districts in 51,434 CSCs all over the country.
- In November 2021, the reach of Tele- Law further expanded to 75,000 CSCs in 75,000 GPs of 669 districts all over the country. All the CSCs are mapped with respective gram panchayats.
- In April 2022 Tele-Law increased its reach to 1,00,000 CSC in 755 districts across India.
- From April 2023 the reach of Tele-Law is further extended to 2,50,000 CSC in 2,50,000 GPs of 783 districts across the country and the services is provided free of cost for all sections of the community

Table2. Gender composition of Panel Lawyers

Description:

1. A total of 705 Panel Lawyers were identified and on boarded by CSC SPV and NALSA in partnership with DoJ.
2. Out of a total of 705, 20 Panel Lawyers are from NALSA from Uttar Pradesh and Bihar.
3. Out of the total 705 Panel Lawyers, 40% percent i.e., 283 panel lawyers are female and 60% percent i.e., 422 Panel Lawyers are male.
4. Out of CSC's identified 685 Panel lawyers, 480 panel lawyers are working Full time, and 205 of them are working Part Time.

3.3.Panel Lawyers Performance in the month of May2025

The performance of lawyers is evaluated based on several key criteria. One of the most crucial metrics is the number of cases they advise on, which helps assess their workload and productivity. Lawyers are also expected to actively participate in awareness sessions, receive feedback from citizens, and take proactive follow-ups.No.of cases advised by each lawyer is a critical factor in evaluating their performance, highlighting differences between part-time and full-time contributions. Full-time lawyers are expected to handle 810 cases in a month, while part-time lawyers have a bracket up to 405 cases in a month.This comprehensive evaluation system ensures that both part-time and full-time lawyers are assessed fairly based on their contributions and engagement with citizens. Detailed information such as Date of Joining, Name, Age, Gender, State, District, Full-time/Part-time status, Slot allotted (number), Slot attended (number), and cases transferred/rescheduled (number) is available on the Tele Law dashboard.

3.4.Rescheduling of the cases to other Panel Lawyers

When a call is initiated through the Tele-Law application, it is directed to selected lawyers or citizens. Calls may be marked as unattended for several reasons, including not connecting within the scheduled time, not being received by the citizen, incoming call restrictions, network issues, call drops, or the need for lawyers to study the case further. Initially, rescheduling was minimal, but it has increased, with cases being rescheduled up to three times. In May, no cases were rescheduled. Accordingly no cases were refered to other lawyer –whether within the same state or from different states.

Beneficiary Profile Creation and Case Registration

The process for beneficiary profile creation and case registration under Tele-Law involves several methods. Cases can be registered through VLEs, Nyaya Sahayaks, or self-citizens app using login credentials. Users can download the Tele-Law mobile application from the Play Store or App Store and follow the instructions, or visit the nearest CSC center for case registration, or call the toll-free number 14454. CSC ensures smooth and user-friendly application functioning by regularly analysing the status and implementing necessary updates. The CSC locator facility has already been intergrated into the Tele law application to enable the beneficiaries to easily locate the nearest CSC centre. This feature help user during case registration and in accesiing other relevant information regarding Tele law.

3.5.Wrong and Duplicate Cases

During May2025,no duplicate entry was found in the total advice for the month. To resolve duplication, at present, one unique mobile number can be used to register cases per month as per the directive of DoJ since September 2024. This systematic approach ensures that these duplicate entries are corrected and avoided in future.

3.6.Nyaya Sahayak Representation State-wise:

Nyaya Sahayaks are individuals who function as facilitators in the provision of legal services within aspirational blocks andplaya crucial role in bridging the gap between legal assistance to citizens. The primary responsibilities of the Naya Sahayaks is to assist citizens in registereing cases in Tele law.They play a vital role in guiding beneficiaries through the registration process, ensuring that all necessary information are correctly provided. In addition, they support citizens who do not have access to mobile phones by facilitating case registration on their behalf.The performance of Nyaya Sahayaks is monitored based on their ability to mobilize cases and ensure timely registrations.Details of the total cases registered by Nyaya Sahayaksfor the month of May 2025 are described in the below table. Nyaya Sahayak wise details of the Case registered are mentioned in Annexure8.0 Vidhi Baithaks were organised by Nyaya Sahayaks.

4.3 Case Registration and Advice Enablement through Video Conference

The service started with an aim of providing pre-litigation advice via videoconferencing through professional panel lawyers to develop human touch of empathy with the beneficiaries and to build a rapport with them and build their trust in the justice delivery system. One to one conversation through video calling helps the beneficiaries to gain confidence and trust to seek justice with better advice. However, if the applicant is not comfortable, the advice can be provided through phone call.

4.4. Success story from the field

Problem Statement - The beneficiary Mr. Prahlad Choudhury asked that he has filed a corruption case in Lokayukta and the opposite party has the voice recording of the case.

Medium of Awareness of Tele-Law Scheme – Beneficiary got information about the service of Tele law through Tele Law Awareness Camp, the beneficiary contacted VLE to solve his problem and got his case registered.

Advice by VLE – Contact the panel Lawyer through Tele-Law.

Advice is given by the Panel Lawyer: - The beneficiary was asked by the panel lawyer that what kind of voice recording is this? The beneficiary told that in the voice recording I have only said that I will take care of it. The opposite party was repeatedly forcing me to take money saying that 4000 will be too much, you can take 2000 or do some work. I have only said that yes I will take care of it. The beneficiary was told by the panel lawyer that in this case you should keep your defense that on repeated insistence of the opposite party and they were after me and were repeatedly harassing me to get their work done and on the threats of the opposite party I had told them that I will take care of your work. I have neither taken any bribe from them nor anything else. The opposite party was repeatedly telling me that if you do not do our work then we will trap you. In this way they were trying to get their work done by me before time and I had also refused to do their work because whatever I do, I do it on time and I do it legally but they told me that now we will tell you and you will have to suffer for not doing our work, by saying this they tried to bribe me and by recording it they are scaring me and when I refused to do the work they registered a case against me, you are also the beneficiary, it was told that just by your saying that we will look into it, it does not prove that you have taken any bribe

Problem Resolution – He was Satisfied with the information and advice given to him, then the beneficiary has agreed, the beneficiary has also been asked whether he has any other legal Inneed of information or advice, the beneficiary said that he only wanted information and advice in this regard, the beneficiary has thanked for giving advice and information.

4.5 Lawyers' Desk

Advocate.Richa Kumari, Bihar

I, Advocate Kumari Richa, am enrolled with the Bihar Bar Council and primarily practice law at the District Court in Darbhanga. Since January 2024, I have been providing legal consultations under the Tele-Law services initiative, leveraging communication and information technology to ensure access to justice. I also serve as a Jharkhand panel lawyer for CSC e-Governance, gaining valuable experience in guiding citizens on legal matters.

Through this platform, I have provided legal counsel in over 2,752 cases, covering a diverse range of legal issues. My expertise includes land disputes, such as land mutation, partition suits, corrections in land records, and ancestral property rights. I also handle criminal cases, including FIR registration for cognizable offenses such as attempt to murder, criminal breach of trust, bail applications, and other offenses against individuals.

In family law, I assist with cases related to dowry harassment, maintenance, restitution of conjugal rights, and domestic violence. Additionally, I advocate for the rights of senior citizens under the Maintenance and Welfare of Parents and Senior Citizens Act and support child rights cases involving child labor, the Right to Education (RTE), and the Protection of Children from Sexual Offences (POCSO) Act.

While answering the appointments, I received not only legal issues but also concerns related to government officials, the release of bonded laborers, protection for beneficiaries from local police, the need for old age homes, and various other matters.

Tele-Law has emerged as a highly effective initiative, made successful through the joint efforts of the Department of Justice and the CSC team. I conclude that through my service in Tele-Law, I have gained deeper insights into the challenges faced by people from all walks of life, enhancing my patience, willingness to help, and ability to provide precise and appropriate legal advice.
