1. The Tele-Law Scheme

Tele-Law scheme is an effort to make legal aid accessible to marginalized communities and citizens residing in rural and urban areas. The scheme envisages the use of communications and information technology for the delivery of legal information and advice. This is a medium of e-interaction between lawyers and citizens through videoconferencing or telephone/phone mode. The service seeks to provide legal assistance to citizens at their doorsteps through the infrastructure of Common Services Centres (CSC) present at rural locations and the use of a citizen mobile app where common citizens can register their case and seek advice from Panel Lawyers through citizen mobile app (Tele-Law Mobile app) available at google play store and apple app store.

Some of the key features of the programme are:

- 1.1. The service is provided free of cost to all citizens of India.
- 1.2. To ensure its seamless penetration in far-flung and remote areas, a Tele-Law mobile application has been developed to enable pre-registration of cases.
- 1.3. Tele-Law web portal (<http://www.tele-law.in/>) provides key information about the programme in 22 official languages. Tele-Law Dashboard has been developed to capture real-time data on cases registered and advice enabled.
- 1.4. Information education communication (IEC) materials such as E-Tutorial on Tele-Law mobile application, pamphlets, Radio jingles etc are made available in the Tele-Law portal.

The concept of Tele-Law is to facilitate the delivery of legal advice through a panel of lawyers stationed across India at the CSC SPV office and at State Legal Services Authorities (SLSA). To fulfil this CSC SPV collaborated with the Department of Justice (DoJ) to implement Tele-Law service through CSCs across India.

For North-Eastern states, Union Territory of Jammu & Kashmir, and Ladakh under Access to Justice (NEJK project).

For the states of Northeast (NE) and Union Territory (UT) of Jammu & Kashmir and Ladakh, the project started as a pilot on 31st December 2017 with further extension. Under this project, a total of 800 CSCs were covered. The PLVs and the Panel Lawyers were appointed by CSC SPV in collaboration with DoJ.

Expansion of Tele-Law in Uttar Pradesh and Bihar

After the successful implementation of Tele-Law service in North-East states and Jammu & Kashmir, the project was launched in Lucknow, Uttar Pradesh on 10th December 2019. The project covered a total of 1000 CSCs from Bihar (i.e., 500) and Uttar Pradesh (i.e., 500). Under the project, the panel lawyers and PLVs for UP and Bihar were made available via NALSA.

Aspirational district project

The Aspirational Districts Programme is a product of collective effort in which States are the main drivers. At the Government of India level, the programme is anchored by NITI Aayog.

Based on the wide response garnered in the pilot states and the urgency for the common man to receive legal advice as the first step towards access to justice, Tele-Law is one of the key programmes of the Department of Justice that has also been flagged as a part of 100 days programme of the newly constituted Government of India. In continuation, it is now aimed to expand the Tele-Law program to the 115 Aspirational Districts across 28 states that are earmarked as pockets of under-development. These 115 Districts have been described as Aspirational rather than backward so that they are viewed as islands of hope and opportunity rather than areas of distress and hopelessness.

The Aspirational Districts programmes are being measured on the indices of education, health, and nutrition, agriculture and water resources, financial inclusion, basic infrastructure, and skills. To fulfil the Government commitment of SabkaSaath, Sabka Vikash, Sabka Vishwas there is a need to amalgamate “*Sabko Nyaya*” as the fourth pillar to empowerment and development in the country. In this regard, the Department of Justice could act as a force multiplier on the desired outcomes in these Aspirational districts. Working towards strengthening free legal aid in India, the Tele-Law programme would cover 28,060 CSCs in 115 Aspirational Districts across 28 States in cooperation with National Legal Service Authority (NALSA), State / District Legal Service Authority, and CSC e-Governance Service Limited. To ensure that this service is effectively used 28,060 Tele-Law Para legal volunteers from within the communities would be engaged to act as a bridge to connect the beneficiary with the Panel Lawyer.

Keeping in view and the learning from the pilot, the project was extended to cover all the 115 Aspirational districts from 27 states and 8 UT through 28,060 CSCs. Under the project, PLVs and the Panel Lawyers were appointed by CSC SPV in collaboration with DoJ. The Aspirational districts scheme was approved on 1st September 2019. In the year 2020-21 as per the decision of DoJ, GoI all three projects were merged.

In the year 2021-22, DoJ and GoI proposed to expand the Tele-Law service at Pan India level in collaboration with CSC SPV which includes 28 states and 6 UTs. The Tele-Law service has been started in 50,000 Gram Panchayats (GPs) covered.

- In June 2021 Tele-Law expanded in 633 districts in 51,434 CSCs all over the country.
- In November 2021, the reach of Tele- Law further expanded to 75,000 CSCs in 75,000 GPs of 669 districts all over the country. All the CSCs are mapped with respective gram panchayats.
- In April 2022 Tele-Law increased its reach to 1,00,000 CSC in 755 districts across India.
- From April 2023 the reach of Tele-Law is further extended to 2,50,000 CSC in 2,50,000 GPs of 783 districts across the country and the services is provided free of cost for all sections of the community

Table2. Gender composition of Panel Lawyers

Description:

1. A total of 705 Panel Lawyers were identified and on boarded by CSC SPV and NALSA in partnership with DoJ.
2. Out of a total of 705, 20 Panel Lawyers are from NALSA from Uttar Pradesh and Bihar.
3. Out of the total 705 Panel Lawyers, 40% percent i.e., 283 panel lawyers are female and 60% percent i.e., 422 Panel Lawyers are male.
4. Out of CSC's identified 685 Panel lawyers, 480 panel lawyers are working Full time, and 205 of them are working Part Time.

3.3.Panel Lawyers Performance in the month of April 2025

The performance of lawyers is evaluated based on several key criteria. One of the most crucial metrics is the number of cases they advise on, which helps assess their workload and productivity. Lawyers are also expected to actively participate in awareness sessions, receive feedback from citizens, and take proactive follow-ups.No.of cases advised by each lawyer is a critical factor in evaluating their performance, highlighting differences between part-time and full-time contributions. Full-time lawyers are expected to handle 810 cases in a month, while part-time lawyers have a bracket up to 405 cases in a month.This comprehensive evaluation system ensures that both part-time and full-time lawyers are assessed fairly based on their contributions and engagement with citizens. Detailed information such as Date of Joining, Name, Age, Gender, State, District, Full-time/Part-time status, Slot allotted (number), Slot attended (number), and cases transferred/rescheduled (number) is available on the dashboard.

3.4.Rescheduling of the cases to other Panel Lawyers

When a call is initiated through the Tele-Law application, it is directed to selected lawyers or citizens. Calls may be marked as unattended for several reasons, including not connecting within the scheduled time, not being received by the citizen, incoming call restrictions, network issues, call drops, or the need for lawyers to study the case further. Initially, rescheduling was minimal, but it has increased, with cases being rescheduled up to three times. In March, all rescheduled cases were assigned to the same lawyers, with no cases transferred for a second opinion to other lawyer's same state or different states.

3.5.Beneficiary Profile Creation and Case Registration

The process for beneficiary profile creation and case registration under Tele-Law involves several methods. Cases can be registered through VLEs, Nyaya Sahayaks, or self-citizens app using login credentials. Users can download the Tele-Law mobile application from the Play Store or App Store and follow the instructions, or visit the nearest CSC center for case registration, or call the toll-free number 14454. CSC ensures smooth and user-friendly application functioning by regularly analysing the status and implementing necessary updates. For profile registration, CSC is working on a pin code-based system linked with LGD Urban & Rural Codes, although this is still under development.

3.6.Wrong and Duplicate Cases

During April 2025,no duplicate entry was found in the total advice for the month. To resolve duplication, at present, one unique mobile number can be used to register cases per month as per the directive of DoJ since September 2024. This systematic approach ensures that these duplicate entries are corrected and avoided in future.

3.7.Nyaya Sahayak Representation State-wise:

Nyaya Sahayaks are individuals who function as facilitators in the provision of legal services within aspirational blocks and play a crucial role in bridging the gap between legal assistance to citizens. Details of the total cases registered by Nyaya Sahayaks for the month of April 2025 are described in the below table. Nyaya Sahayak wise details of the Case registered are mentioned in Annexure 8.0 Vidhi Baithaks were organised by Nyaya Sahayaks.

4.3 Case Registration and Advice Enablement through Video Conference

The service started with an aim of providing pre-litigation advice via videoconferencing through professional panel lawyers to develop human touch of empathy with the beneficiaries and to build a rapport with them and build their trust in the justice delivery system. One to one conversation through video calling helps the beneficiaries to gain confidence and trust to seek justice with better advice. However, if the applicant is not comfortable, the advice can be provided through phone call.

4.4. Success story from the field

Problem statement-Panel lawyer spoke with the mother of the beneficiary Mr Nishant Kumar. She told me that her son got married a year ago and her daughter-in-law does not live well with her husband. One day his son checked his wife's phone and found out that she was having an affair with someone and there are pictures and videos of her which he has kept as proof. In March she also went to her mother's house with her father. After a few days she ran away from there with her friend who was caught by the police 2-3 days later and brought to her mother's house. They have not told this to anyone. Now we don't want to keep her with us, so what should we do?

Medium of Awareness of the Tele-Law Scheme: The beneficiary learned about the Tele-Law service through a Tele-Law Awareness Camp. They then contacted the VLE to seek a solution and got their case registered.

Advice by VLE: The beneficiary was advised to register a case under Tele Law scheme and consult a Panel Lawyer for legal advice.

Advice Given by the Panel Lawyer:Panel lawyer explained If your wife is cheating and you want to separate, the first step is to acknowledge and process your emotions. Then, calmly confront her about the affair, allowing her to explain her side of the story. If you decide to separate, you can explore resources like marriage counseling or seek legal advice from a lawyer, especially if you are considering a divorce. First, gather information and evidence to confirm your suspicions. Then, have a calm, private conversation with her to understand her perspective and express your feelings. Consider seeking counseling or therapy to navigate the situation and remember to prioritize your well-being during this difficult time. Before confronting your wife, try to gather evidence to support your belief that she is cheating. This could include text messages, emails, social media interactions, or other forms of communication that suggest an affair. If you're considering divorce, consult with a lawyer to understand your legal rights and options.

Problem Resolution: The beneficiary was asked if they were satisfied with the information and legal advice provided. They confirmed their satisfaction and expressed gratitude for the guidance received. When asked if they required any further legal assistance, they stated that they only sought advice on this matter.

4.5 Lawyers' Desk

Advocate.Nirmaljeet Singh, Punjab

I, Advocate Nirmaljeet Singh, have been working as a panel lawyer engaged in the Tele-Law service, from October 2023 an initiative aimed at providing accessible legal advice to citizens facing legal disputes.

Throughout my involvement in this project, I have enabled advice in more than 3000 cases, I have had the privilege of assisting individuals who may otherwise not have access to traditional legal resources. My role as a panel lawyer has been central to delivering legal counsel via telecommunication channels, ensuring that legal advice is not only accessible but also clear and efficient for those who need it most.

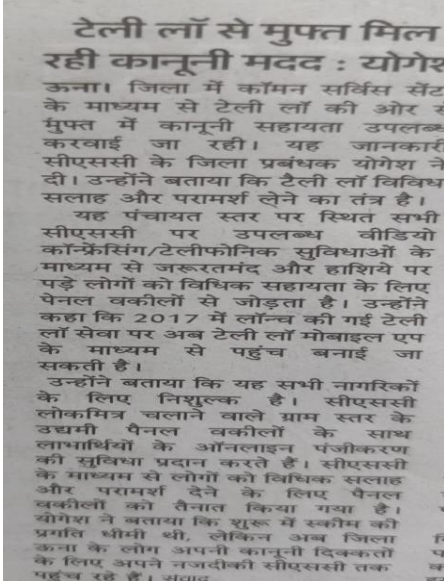

The Tele-Law project allows citizens to connect with legal experts remotely, which is especially beneficial for those residing in rural or underserved areas, or those who may be facing economic or physical barriers to traditional legal consultations. By providing timely legal advice on a wide range of issues—from family law and civil disputes Employment Law, Property and Real Estate Law, Consumer Debt and Bankruptcy Law, Property and Real Estate Law, Wills and Succession Law to consumer rights—I have been able to support individuals in making informed decisions about their cases and how to proceed.

In my capacity as a panel lawyer, I prioritize empathy and clarity in each consultation. Legal matters can often be complex and overwhelming, and it is critical to break down intricate legal jargon into practical advice that the individual can understand and use. I have worked to ensure that every individual feel heard, understood, and empowered to take the next steps in resolving their disputes.

Through this initiative, I have seen firsthand how access to legal advice can make a significant difference in the lives of individuals. The Tele-Law project has not only provided valuable services to the community, but it has also demonstrated the power of technology in overcoming barriers to legal access.

I am proud to be a part of Tele Law and continue to contribute to its mission of ensuring that justice is accessible to all, regardless of their geographic location or financial situation.
